Services & Pricing Guide

Wedding Ceremonies | Live Music | Reception Host

Hello!

I'm Jade! I'm not only a Registered Marriage **Celebrant**, I'm also a Professional **Singer** and **MC** all rolled into one friendly, bubbly joke loving human!

I hold a Bachelor Degree in Music, I love a good beach swim and laughing is quite literally my favourite thing to do.

I can't wait to help you get married with a fun, easy-going, love filled ceremony that is all about YOU **PAIR**.

And if you're keen, I can also sing you down the aisle, entertain your guests at the reception and/or host your night and keep us all on track.

Specialised quotes are available so don't hesitate to send me your dream wish-list and I will work with you to create a package that will suit you and your budget.

5 Fun Facts About Jade

- 1) Wayne's World is one of my favourite movies
- 2) French Martini's are my fave cocktail
- 3) I'm a Twin and the eldest by 2 whole minutes
- 4) I'm currently learning how to surf
- 5) As musician, I've worked with and supported Guy Sebastian, Renee Geyer, & Wes Carr

The Wed by Jade Approach

My ceremonies are a great mix of easy-going, romantic, light-hearted and fun. I like to make sure we all giggle in amongst those small tear-jerker moments with a ceremony that is focused on your love and not your 'love-timeline' (everyone already knows that you bought a house, or moved in so let's focus on the good stuff). I package everything into a ceremony that is under 30 minutes, so if this sounds good to you, I'm pretty sure I'm your celebrant!

It's your day, not mine

I like to call myself a bit of a ceremony rubber arm. As long as we make it legal, we can do whatever you would like! We'll talk about your ideal ceremony and I'll give you some ideas to think on, but ultimately, it is all up to you.

Your guests will think we're mates

And I want to make sure you feel that way too. So get in touch. If we have a great chat and you like my vibe, then it's likely meant to be.

Live Music

Live Music Acoustic Duo

Before I became a love hitchin' guru, I was a professional singer performing on big stages, little stages, and yes, at weddings. SO, why not add a little live music to my list of things to do at your special day?

Hear more about my music experience and skills by clicking here: www.wedbyjade.com.au/theweddingsinger

What's Available

Live Ceremony Music

With my music partner in tow (either Acoustic Guitar or Keyboard), together we can perform your aisle entrance and your final exit songs live. As all our equipment is wireless, there is no issues with me announcing your entrance down the aisle and then blowing your guests away by seamlessly turning into your ceremony singer before switching back into your celebrant.

Cocktail Hour Entertainment

If you are wanting to add another layer of entertainment while you are off getting photos, with my acoustic guitarist or keyboardist, I can transition into your wedding singer for up to 2 hours of live music performed for your guests during the 'cocktail hour' prior to the reception doors opening.

Dinner Sets & First Dance

If you'd also like to enjoy some of the live tunes during your reception, this option could be for you. We can do one dinner set, or two. We can even learn and perform your first dance song! We'll then pass things over to your DJ to kick off the serious dance floor tunes.

What They Say Reviews

Julia & Damien

I could talk all day (longer even) about how much we love Jade! From the moment we met we were all on the same level and really felt like she got us as a couple. In the lead up she was always there and made us feel really comfy and important.

Our ceremony was perfectly us and we felt like we were married by a long time friend. The ceremony is the start of the whole wedding so to have Jade set the tone and vibe for the day so perfectly was magic.

We received so many compliments from our guests on how great Jade was... one quote: "Jade is the best celebrant I have ever seen" - and we agree!!!

Fiona & Bowen

Jade was absolutely incredible and everything we could have asked for and more! We booked Jade to be our celebrant and MC and we are so glad we did! She always took the time to understand us and no question was ever too small. We had never met Jade in person until our wedding day but it was so easy to get along with her, given her positive and cheerful nature.

Throughout the entire night, our friends and family told us how amazing Jade had been during both the ceremony and reception, with some saying that she's the BEST celebrant/MC they've seen! We could not agree more! We highly recommend you book her in! You absolutely won't regret it!!!

Jordan & Jack

Jade was the most amazing celebrant anyone could ever ask for! Jade made the whole process fun and exciting, and she was one of the best parts of our day. Every one of our guests loved her. Jade was so prepared and helped us every step of the way.

Jade is like having a friend and your own personal cheerleader at your wedding day. Her ability to engage every guest is captivating and we are still receiving raving reviews from our attendees. She was an absolute vibe and biggest hype man during our photos. I would absolutely recommend Jade to everyone!
